

# Join DEA

DEA is an education charity with a **vision** of education for a just and sustainable world.

Our **mission** is to promote education that puts learning in a global context, fostering:

- critical and creative thinking
- self-awareness and open-mindedness towards difference
- understanding of global issues and power relationships
- optimism and action for a better world.

We welcome organisations and individuals who share in this vision and mission, and who want to lend their support to our campaign to create change in and through education.

Why should you join DEA?

- **Access networking opportunities**  
Both through attendance at DEA events or by sharing ideas online.
